Dear Sir/Madam:

Opposer, No Fear, Inc., hereby brings this Motion for Entry of Default Judgment.

As a basis for this motion Opposer advises as follows.

- On December 26, 2007, Opposer filed its Notice of Opposition (attached hereto as Exhibit A, without exhibits).
- On December 26, 2007, the Trademark Trial and Appeal Board (TTAB) issued its Order instituting the proceedings and setting the dates (attached hereto as Exhibit B).
- Applicant did not timely file an Answer to the Notice of Opposition, or a

WHEREFORE, Opposer respectfully requests that a Default Judgment be entered and that United States Trademark Application Serial No. 77/114,188 be declared abandoned.

As of the filing date of this Motion for Entry of Default Judgment, no Answer has been filed by Applicant. Therefore, in view of the forgoing, an Entry of Default in this matter is proper.

A Proof of Service to Applicant is attached hereto. Should any additional fees be necessary, please charge Deposit Account No. 19-4330.

Time to Answer	2/4/2008
Deadline for Discovery Conference	3/5/2008
Discovery Opens	3/5/2008

Plaintiff's Rebuttal Disclosures	2/13/2009
Plaintiff's 15-day Rebuttal Period Ends	3/15/2009

As noted in the schedule of dates for this case, the parties are required to have a conference to discuss: (1) the nature of and basis for their respective claims and defenses, (2) the possibility of settling the case or at least narrowing the scope of claims or defenses, and (3) arrangements relating to disclosures, discovery and

introduction of evidence at trial, should the parties not agree to settle the case. See Trademark Rule 2.120(a)(2). Discussion of the first two of these three subjects should include a discussion of whether the parties wish to seek mediation, arbitration or some other means for resolving their dispute. Discussion of the third subject should include a discussion of whether the Board's Accelerated Case Resolution (ACR) process may be a more efficient and economical means of trying the involved claims and defenses. Information on the ACR process is available at the Board's main webpage. Finally, if the parties choose to proceed with the disclosure, discovery and trial procedures that govern this case and which are set out in the Trademark Rules and Federal Rules of Civil Procedure, then they must discuss whether to alter or amend any such procedures, and whether to alter or amend the Standard Protective Order (further discussed below). Discussion of alterations or amendments of otherwise prescribed procedures can include discussion of limitations on disclosures or discovery, willingness to enter into stipulations of fact, and willingness to enter into stipulations regarding more efficient options for introducing at trial information or material obtained through disclosures or discovery.

The parties are required to conference in person, by telephone, or by any other means on which they may agree. A Board interlocutory attorney or administrative trademark judge will participate in the conference, upon request of any party, provided that such participation is requested no later than ten (10) days prior to the deadline for the conference. See Trademark Rule 2.120(a)(2). The request for Board participation must be made through the Electronic System for Trademark Trials and Appeals (ESTTA) or by telephone call to the interlocutory attorney assigned to the case, whose name can be found by referencing the TTABVue record for this case at <http://ttabvue.uspto.gov/ttabvue/>. The parties should contact the assigned interlocutory attorney or file a request for Board participation through ESTTA only after the parties have agreed on possible dates and times for their conference. Subsequent participation of a Board attorney or judge in the conference will be by telephone and the parties shall place the call at the agreed date and time, in the absence of other arrangements made with the assigned interlocutory attorney.

The Board's Standard Protective Order is applicable to this case, but the parties may agree to supplement that standard order or substitute a protective agreement of their choosing, subject to approval by the Board. The standard order is available for viewing at: <http://www.uspto.gov/web/offices/dcom/ttab/tbmp/stndagmnt.htm>. Any party without access to the web may request a hard copy of the standard order from the Board. The standard order does not automatically protect a party's confidential information and its provisions must be utilized as needed by the parties. See Trademark Rule 2.116(g).

Information about the discovery phase of the Board proceeding is available in chapter 400 of the TBMP. By virtue of amendments to the Trademark Rules effective November 1, 2007, the initial disclosures and expert disclosures scheduled during the discovery phase are required only in cases commenced on or after that date. The TBMP has not yet been amended to include information on these disclosures and the parties are referred to the August 1, 2007 Notice of Final Rulemaking (72 Fed. Reg. 42242) posted on the Board's webpage. The deadlines for

pretrial disclosures included in the trial phase of the schedule for this case also resulted from the referenced amendments to the Trademark Rules, and also are discussed in the Notice of Final Rulemaking.

The parties must note that the Board allows them to utilize telephone conferences to discuss or resolve a wide range of interlocutory matters that may arise during this case. In addition, the assigned interlocutory attorney has discretion to require the parties to participate in a telephone conference to resolve matters of concern to the Board. See TBMP § 502.06(a) (2d ed. rev. 2004).

The TBMP includes information on the introduction of evidence during the trial phase of the case, including by notice of reliance and by taking of testimony from witnesses. See TBMP §§ 703 and 704. Any notice of reliance must be filed during the filing party's assigned testimony period, with a copy served on all other parties. Any testimony of a witness must be both noticed and taken during the party's testimony period. A party that has taken testimony must serve on any adverse party a copy of the transcript of such testimony, together with copies of any exhibits introduced during the testimony, within thirty (30) days after the completion of the testimony deposition. See Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing after briefing is not required but will be scheduled upon request of any party, as provided by Trademark Rule 2.129.

If the parties to this proceeding are (or during the pendency of this proceeding become) parties in another Board proceeding or a civil action involving related marks or other issues of law or fact which overlap with this case, they shall notify the Board immediately, so that the Board can consider whether consolidation or suspension of proceedings is appropriate.

ESTTA NOTE: For faster handling of all papers the parties need to file with the Board, the Board strongly encourages use of electronic filing through the Electronic System for Trademark Trials and Appeals (ESTTA). Various electronic filing forms, some of which may be used as is, and others which may require attachments, are available at <http://estta.uspto.gov>.
